This section contains information and materials for the following areas:

- Reporting the volume of distribution of veterinary medicinal products (for manufacturers and distributors of WMP / MFS) = reporting of WMP consumption.
- Reporting of the collection of medicinal products containing addictive substances listed in Annexes No. 1 and 5 of the Government Decree on Lists of Addictive Substances by veterinarians for the past calendar year (for pharmacies and distributors with a substance handling permit issued by the Ministry of Health).

The section is divided into:

- Manufacturers and distributors of WMP / MFS (Basic information of the reporting system, USKVBL Manual, Form for registration in the reporting system, MS Excel reports with WMP and exceptions)
- NPS - pharmacies, distributors (Basic information for pharmacies and distributors, NPS report form)

Please send any questions in this area to the e-mail address spotrebaleciv@uskvbl.cz .
