

Registers and databases

Written by Petra Müllerová - Last Updated Tuesday, 21 March 2017 12:27

ÚSKVBL is obliged to publish according Article 99 § 1 letter e) of Act No. 378/2007 Coll., on pharmaceuticals registers of manufacturers of medicinal products and control laboratories and register of API manufacturers (in cooperation with SÚKL).

Registers show actual holders of manufacturing and control laboratory licences including scope of each licence. Registers are regularly updated.
